An accredited Law Enforcement agency

According to the policy of the agency, all accident report requests are subject to a review procedure before being released and may not be immediately available. All accident report requests will be mailed within 15 days (15) from the date of report approval unless exigent circumstances exist.

It is our goal to provide the public with access to information legally defined as public while maintaining the confidentiality of information as exempted by law. Therefore, if approved, the report you receive may contain some redacted information as required by law.

The cost of a normal accident report is fifteen dollars (\$15.00); payable at the time of the request. Longer or archived reports may be subjected to an additional fee. We will contact you if the amount is going to exceed the normal fifteen dollars (\$15.00) fee. Payment can be submitted in the form of a personal check, money order, or cashier's check.

Your insurance company should issue their own request to us and pay the appropriate fee on your behalf.
